

MTC02 Smart Finder 2

Make More Things Findable.

Wearable in multiple ways

Locate easier with sound

Unwanted Tracking Detection

Battery lasts 1 year or more

MTC02 Smart Finder 2 is a creative tool for tracking your personal belongings. This is the latest edition to Minew's Find My Finder line, powered with Bluetooth® 5.0 technology. It comes with a range of wearing options to meet your needs and is the perfect companion for your wallet, luggage, and more with its slim and portable design. Besides, it gives you the convenience of finding the locations of your belongings at any time and from any location with its easy integration with the Apple Find My Network.
